Dear Sir:

We have received from the Medallie Art Company an offer to strike a copy of your American Association of Advertising Agencies medal for our Collection, if our Society can obtain your permission to have this done..

This procedure is followed with almost all the medals issued by the Medallie Art Company, and it is by such a method that we are keeping up our collection of medals by American artists.

I trust that this request will receive your favorable consideration.

Very truly yours,

Secretary.

Dear Mr. Hafner:-

As has been their procedure for several years past, the Medallio Art Company have offered to strike for our collection examples of medals made by them during the past year, provided we can obtain the permission of the artist to have this done. Included in this offer is the Harmon Foundation Award Medal designed by you. If you do not feel you can authorize this action on the part of the Medallio Art Company, will you either obtain permission from those who are responsible for this medal or send me the name of the individual to whom an application for having this done should be sent.

We shall appreciate your cooperation in this effort to have our collection of medals by American artists as nearly complete as it can be made.

Very cordially yours,

Secretary

That need not, however, deprive you of any of the opportunities of membership in the meantime, and I shall be very glad to welcome you in our Museum should it prove convenient for you to come again.

Very cordially yours,
